Sharon: Mum, what do you want for Christmas?

Rita: An hour off.

Graham: *(To Sharon.)* Biology homework?

(Sharon hands it over.)

Rita: What are you doing Graham's homework for?

Sharon: A shilling. *(To Graham.)* For a shilling.

(Graham gives her a shilling.)

Graham: She wants to be a doctor. Ha, ha!

Rita: Girls are nurses, Sharon. That's why we got you that nurse's outfit when you was little.

Sharon: I want to be a consultant gastroenterologist!

Rita: You're just saying that.

GRAHAM & SHARON O'GRADY AUDITION #1

Rita: He's hit you again ain't he?

Graham: Mum! It don't hurt.

Rita: *(To Eddie)* Eddie, Graham's getting caned at school. Mister Buckton's paid to teach him Latin, not attack him with a stick.

Eddie: He can't treat him any different just 'cos he's a scholarship boy.

Graham: Don't come into school Mum!

Rita: *(Overly dramatic.)* Oh, you're ashamed of me are you?!

Graham: Yes!

Sharon: Watch out Dad – Mum's gone into one.
